SOPHIE LEVENS

DEVELOPER

✉ sophielevens1@gmail.com 📞 07826845360 🖱 www.github.com/sophielevens

PROFILE

A developer with a strong interest in functional CSS and front end technologies. I love writing readable, accessible code and working within an energetic team. Passionate about solving problems through tech and I love to see ideas develop into applications that make users happy.
